### **Autumn**

Autumn is such an exciting time of year where children will observe lots of changes within their surroundings. This time will be filled with exploring the outdoors, seeing the leaves change colours and falling from the trees. May we kindly ask that if you go on any nature walks of your own, we would love for the children to bring in any leaves, conkers, acorns etc that you may find.

### **Outdoor play**

We always try to incorporate outdoor learning and play during the day, depending on the weather. Please can you make sure to pack weather appropriate clothing for your child. We know the weather has been changing, but would appreciate you pack for the possibilities of this. We can also keep your child's wellies and puddle suit at nursery if this helps your child have some of their items at nursery for all occasions.

### **Parents evening**

We will be hosting our next parents evening in November. Please do not hesitate to get into contact with your child's keyworker or a member of staff if you have any questions or would like to come into nursery to have a look at your child's room. Please understand this will have to be done at a convenient time but we will always accommodate your wishes.

### **Voucher codes**

Please remember all voucher codes **MUST** be kept valid every 3 months and **MUST** be in date by the end of each term to be valid for the next term, your .gov.uk account will let you know the date you need to re-activate.
